WORK EXPERIENCE

Forum leader Intern | OPPO INDIA | Jan'2022 – May'2022

Developed comprehensive training programs. Designed and enhanced nearly 40 - 50% of team performance. Allocated resources to members to ensure optimal team operational logistics.

PROJECTS

HealthCare Website: [NutriSuggest](#)

Nov'2023

- Domain: Frontend Web Development, UI.
 - Users can enter their specific health condition and personal details, as the application suggests the user the right diet plan and tailored plan of action to tackle the problem.
 - *Patented* the Idea under the University guidelines and participated in multiple hackathons.
 - Learned how to use HTML, CSS, JavaScript, Bootstrap and Figma to create a visually polished and responsive website, integrating interactive elements for an enhanced user interface.

Hostel Management & Event Reporting System

May'2023

- Domain: Using Java, AWS, PHP, HTML, CSS
 - Users can interact with a secure and user-friendly student submission form system, featuring efficient data storage and retrieval, implemented using HTML, CSS, MySQL, and PHP.
 - learned how to deploy instances in cloud and integrate Storage services to the project.

Online Test Maker

March'2022

- Domain: Java, Jframe, MySQL, GIT
 - Users can register, log in, and start taking the quiz through the application.
 - Effectively led the team as a main developer, worked on registration and login components, and integrated the entire application.

Personal Portfolio Project

June'2023

- Domain: Using HTML, CSS, JavaScript
 - Users experience an interactive, visually engaging personal portfolio website displaying skills and projects using HTML, CSS, and JavaScript.
 - Learned how to independently design and develop a website, ensuring cross-browser compatibility, add on innovative features while adhering to web accessibility standards.

ACHIEVEMENTS

- "Ideathon" competition on World Sustainable development.
- "Winning Streak" as the Vice president of Professional Enhancement Club (LPU).
- NSS National University poetry award in 2020.
- "Spectra" Interuniversity Elocution and Debate prize.

MOOC Courses

- Complete Theory of Computation | Udemy | Sep 2023
- The World of Computer Networking | Udemy | Nov 2023
- Computer Architecture and Organization | Aug 2022

EDUCATION

Diploma and B.Tech. in Computer Science June'19 – Present

Lovely Professional University | Phagwara, IN

CGPA 8.04

Secondary Education and Schooling May' 19

Vikas The Concept School | Hyderabad, IN | CGPA 9.0
