- Jenkins, GitHub, Git, Docker**
- RESTful APIs, Postman**
- Kubernetes**
- Linux**

EDUCATION

2017-2020

SKNCOE, Pune University

BE : Information Technology

First Class Distinction

2014-2017

Government Polytechnic,

Diploma: Computer Science

First Class Distinction

PERSOAL PROJECTS

- Capstone Project to convert CSV to Parquet using AWS services**
- Hospital Digitalisation using RFID card.**
- Disease detection using python image processing and machine learning.**

ACHIEVEMENT

- Accenture ACE Inspiring Innovator Award FY22
