Education

- **Savitribai Phule Pune University,** Pune, Maharashtra
B.E. - 9.496/10 2020-2024
- **Global Public School and Junior College,** Nasik, Maharashtra
HSC - 75.08% 2020
- **Baglan Education Society's English Medium School,** Satana, Maharashtra
SSC - 90.8% 2018

Work Experience

- **The Expert Community Inc.** Remote
Python Developer Intern Feb 2023 - Apr 2023
 - Developed a custom LTI tool with Flask framework and integrated it seamlessly with Canvas Instructure.
 - Used Canvas LMS API, Flask framework, SQLite, HTML, CSS, and JavaScript to build the LTI tool.
 - Implemented OAuth 2.0 authentication for connecting Canvas LMS to the external tool.
 - Also added the feature of checking reports based on different filters.
 - Worked as a team member and delivered the application on time and with expected quality and efficiency.
- **Copper Cloud** Dighi, Maharashtra
IOT Intern Oct 2021 - Nov 2021
Developed and executed complex IoT solutions by leveraging industry tools like MQTT, Node-Red and Grafana.

Project Experience

- **My Awesome Cart** Apr 2022
An e-commerce website made with Bootstrap and Django. Used SQLite for the database. Has different features like view product details, add to cart, buy now, track product, etc.
- **Text Utils** Mar 2022
A basic website made with Bootstrap and Django. It performs various operations on input text, such as counting the number of letters, capitalizing all the letters, and counting spaces.
- **Filter Fun** Feb 2022
A basic website made with HTML, CSS, and JavaScript for applying different filters on images uploaded by users. We retrieve the RGB values of each pixel in the image and then modify those values to apply various filters, such as converting the original image into a grayscale image
- **Resume Builder App** Aug 2023
A dynamic application for resume building that makes use of built-in hooks like useState, useRef, etc., and libraries like 'react-feather', and 'react-to-print'. Giving users the ability to create, alter, and export resumes to PDF.

Skills

- Languages and Frameworks: Python | Django | Flask | C++ | MySQL | HTML | CSS | React.js | JavaScript | Java
- Utilities: GitHub | Android Studio | VScode | Unity Engine | Blender | Adobe XD
- Soft Skills: Time Management | Decision Making | Leadership | Problem Solving

Courses/Certifications

- **Programming Foundations With JavaScript, HTML, And CSS** - Coursera
- **NASSCOM Python** - Coding Ninjas
