PROFILE

Digital dreamweaver transforming visions into captivating online realities. I specialize in crafting seamless user experiences that defy the ordinary. With a touch of creativity and a sprinkle of innovation, let's embark on a journey to bring your unique story to life in the vast landscape of the web.

EDUCATION

Bachelor of Technology Computer Science and Engineering (CGPA: 7.20) October 2020 - Present
Mar Baselios College of Engineering and Technology | Trivandrum, Kerala

Senior School Certificate Examination (93.2%) April 2019 - March 2020
Father Agnel School | Gautam Nagar, New Delhi

Secondary School Examination (87.33%) April 2017 - March 2018
Father Agnel School | Gautam Nagar, New Delhi

WORK EXPERIENCE

Arunex Engineers | **Front-End Developer Intern**, Kolkata March 2023 - April 2023

- Built engaging user interfaces using React, Tailwind CSS and Next.js.
- Collaborated with cross-functional teams, including designers, back-end developers, and product managers, to ensure seamless integration and delivery of features.
- Independently tackled assigned tasks, demonstrating initiative and problem-solving skills. Identified and resolved bugs using debugging techniques.
- Actively participated in code reviews and discussions, honing communication and collaboration skills.
- Expanded knowledge of front-end development through self-directed learning and participation in internal training sessions.

PROJECTS

agrowVault - Sustainable Agriculture Financing

- Developed a Web3 application leveraging blockchain technology to track agricultural produce from farm to consumer. Each step (planting, harvesting, processing, distribution) is recorded on the immutable ledger, creating transparent and verifiable product provenance.
- Implemented smart contracts that automate payments and micro-financing based on pre-defined conditions. This empowers farmers with direct access to fair market prices and reduces dependence on intermediaries.

File System Analysis

- Successfully recovered a broad spectrum of file formats, including documents, images, audio, video, compressed archives, and more.
- Prioritized accuracy and integrity preservation to ensure recovered files remained usable.
- Deployed distinct recovery algorithms tailored to the unique structural nuances of each file system.

TECHNICAL SKILLS

Programming

- C Programming
- JavaScript
- Python

Web Development

- HTML5
- CSS3

Design & Media Production

- Adobe Photoshop
- Adobe Premiere Pro
- Adobe After Effects

SOFT SKILLS

- Leadership
- Communication Skills
- Teamwork
- Active Listener
- Problem Solver
- Critical Thinker
- Time Management

HONORS AND AWARDS

- Represented APJ Abdul Kalam Technological University at All India Inter University Netball Championship 2022-23
- Represented APJ Abdul Kalam Technological University at South India Inter University Basketball Championship 2023-24
- Runners Up of APJ Abdul Kalam Inter Zone Netball Championship 2022-23
- Runners Up of APJ Abdul Kalam Inter Zone Basketball Championship 2022-23
- Second Runners Up of APJ Abdul Kalam Inter Zone Basketball Championship 2023-24
- Represented Mar Baselios College of Engineering and Technology at APJ Abdul Kalam Inter Zone Volleyball Championship 2022-23
- Winners of APJ Abdul Kalam A-Zone Basketball Championship 2023-24
- Winners of APJ Abdul Kalam A-Zone Basketball Championship 2022-23
- Winners of APJ Abdul Kalam A-Zone Volleyball Championship 2022-23

CERTIFICATIONS

Introduction to Front-End Development (Coursera) | Issued August 2023

- Streamlined web development workflow using HTML, CSS, and JavaScript.
- Built responsive and user-friendly web pages with semantic HTML5 and CSS3.
- Enhanced user experiences with interactive elements and animations.

Programming with JavaScript (Coursera) | Issued August 2023

- Mastered core JavaScript concepts, including variables, data types, functions, and control flow.
- Developed interactive web applications with DOM manipulation and event handling.
- Debugged and resolved code errors efficiently.
