Seasoned MERN Stack Developer with Over 2 Years of Expertise in Full-Stack Web Development: Proficient in MongoDB, Express.js, React.js, and Node.js for Delivering High-Performance and Scalable Solutions. Proficient in building responsive and interactive web applications that deliver exceptional user experiences.

## Professional Experience

- 08/2021 – present      **Application Development Analyst**, *Accenture Solutions Pvt.Ltd.*
- Spearheading the end-to-end development of innovative web applications, leveraging the MERN stack (MongoDB, Express.js, React.js, Node.js) to deliver high-quality, scalable, and responsive solutions.

## Education

- 07/2017 – 06/2021      **Bachelor of Engineering in Computer Engineering**, *IET DAVV, Indore*
- 07/2015 – 03/2016      **Higher Secondary Education**, *Divya Senior Secondary School*

## Skills and Abilities

JavaScript • React • NodeJS • Angular • Mongo DB • GIT • Redux • Tailwind CSS

TypeScript • Azure PaaS • HTML5 • Azure Fundamentals

## Projects

### MS Estate - Modern Real Estate Marketplace [🔗](#)

- This MERN stack real estate application combines the power of MongoDB, Express.js, React.js, and Node.js to deliver a feature-rich, scalable, and user-friendly platform for buying, selling, and managing properties.
- Implemented robust filtering mechanisms to refine property searches based on criteria such as price range, and property type.

### Directory

- Developed a comprehensive Directory API using the MERN stack to manage a diverse range of data, providing functionalities for adding, updating, and deleting entries efficiently.
- Incorporated secure user authentication mechanisms using JWT tokens, ensuring that only authorized users can perform actions like adding or modifying directory entries.
- Built a dynamic and responsive frontend using React.js, providing a user-friendly interface for interacting with the Directory API.

### Forkify App

- Architected and developed a dynamic recipe application using JavaScript, providing users with an intuitive platform to explore, save, and share culinary creations.
