## EDUCATION

LOVELY PROFESSIONAL UNIVERSITY

BACHELOR OF TECHNOLOGY - COMPUTER SCIENCE AND ENGINEERING -

CGPA: 7.07

Sept 2025 - July 2025

Phagwara, Punjab, India

## SKILLS

PROGRAMMING LANGUAGES	JavaScript, HTML, CSS, TypeScript
LIBRARIES/FRAEMWORKS	React, NextJS, TailwindCSS, NodeJS, React Native
TOOLS / PLATFORMS	Git, Figma, POSTMAN
DATABASES	MongoDB, PostgreSQL

## PROJECTS / OPEN-SOURCE

**SHOPEE : FULL-STACK E-COMMERCE APPLICATION** | [Link](#) React Native , PostgreSQL , TypeScript

- Developed a Full Stack E-Commerce Application using new technological stack for frontend and backend.
- Utilized React Native for creating User-Interface and Node.JS, Express.JS, and PostgreSQL for Back-end.
- Implemented all CRUD Operations as well as Authentication/Authorization using JWT(JSON Web Tokens).

**LINKME: FULL STACK LINK-IN-BIO WEB APPLICATION** | [Link](#) NextJS, React, TailwindCSS, MongoDB

- With this project I was aiming to solve the problem faced by many content creators to aggregate all their links for their subscribers.
- Developed a feature-rich Link-In-Bio web application using NextJS, Chakra UI, and Tailwind CSS.
- Implemented robust backend functionality, utilizing NextJS API routes, Prisma ORM, and MongoDB, to enable all CRUD operations.
- Orchestrated seamless communication between frontend and backend, ensuring a smooth user experience.
- Enhanced project scalability and maintainability through the use of industry-standard technologies and best practices.

**PERSONAL PORTFOLIO WEBSITE** | [Link](#)

React, JavaScript, CSS, SCSS

- With this project I was trying to showcase all my skills as a Frontend Developer.
- Engineered and deployed a sophisticated personal portfolio website using ReactJS, SCSS, and CSS.
- Elevated user experience through the implementation of seamless navigation and engaging animations using GSAP.
- Incorporated React Routers for efficient page routing, resulting in a dynamic and user-friendly interface.

## CERTIFICATIONS

- REACT BASICS - **META**
- Principles of UI/UX Design - **META**
