in [linkedin.com/in/ivaibhavarya](https://www.linkedin.com/in/ivaibhavarya)

Highly skilled and motivated Front-end Developer with over 6+ years of experience specializing in Angular. Seeking to leverage my expertise in web development and user interface design to contribute effectively to a dynamic and innovative team. Committed to delivering visually appealing, responsive, and user-friendly web applications that elevate the user experience and meet client requirements

PROFESSIONAL EXPERIENCE

LTIMindtree

Specialist - Software Engineering

Apr 2022 – present | Noida, Uttar Pradesh

- Developed an internal user application with a 7-step process requiring actions on multiple pages.
- Created user-friendly interfaces, managed complex data structures using the PrimeNG library.
- Implemented UX standards in accordance with company guidelines.
- Integrated multiple APIs to ensure optimal connectivity with the back end.
- Participated in client demonstrations, proficiently conveying the application's functionality in an easily understandable and user-friendly manner.
- Collaborated with the QA team to define test cases, metrics and resolve questions about test results.
- Actively involved in gathering project requirements. Conducted research and development (R&D) and proof-of-concept (POC) initiatives.

Accenture

Application Development Senior Analyst

Mar 2020 – Apr 2022 | Gurugram, Haryana

- Created interactive interface allowing users to do CRUDs operations.
- Implemented a premise search functionality interface capable of searching precise location from millions of records within minimal time.
- Played a key role in developing a framework for Quickbase. This framework streamlined the integration process and increased efficiency by making it accessible within our local factory as a reusable asset.
- Actively contributed to the creation of automated jobs that facilitated real-time data migration between Quickbase and Azure SQL.
- Achieved seamless data synchronization and scalability for Quickbase by leveraging Azure Data Factory Pipelines and Quickbase pipelines.

EDUCATION

B.E. (Computer Science)

Chitkara University

2013 – 2017 | Baddi, Himachal Pradesh

XII

Riverside D.A.V Public School

2012 – 2013 | Ambala Cantt, Haryana

X

Riverside D.A.V Public School

2010 – 2011 | Ambala Cantt, Haryana

SKILLS
