OBJECTIVE

I am looking forward to work in an organization where I can gain knowledge and cultivate professional skills in a competitive IT field and which provides the environment for growth with competent leaders in Angular Front-end Developer. I have an urge and inclination for learning new technologies, a strong work ethic combined with a commitment to excellence in all projects undertaken.

EXECUTIVE SUMMARY

- A detailed oriented professional with 1.6 years of experience as a Front-end Developer role.
- Strong knowledge on front-end technologies like **HTML, CSS, JavaScript, jQuery, TypeScript and Angular.**
- Strong knowledge on database management systems, including **MySQL, Microsoft SQL server, MongoDB.**
- Basic knowledge on back-end technologies like **NodeJS, RESTful APIs.**
- Proficiency in building scalable and secure **APIs** using **Postman.**
- Experience in using version controllers like **GIT.**
- Strong experience in the entire **Software Development Life Cycle (SDLC).**
- Basic knowledge on testing frameworks like **Jasmine & Karma.**
- Strong communication and client management skills.
- Ability to learn and respond quickly to the fast-changing business environment.

TECHNICAL SKILLS

- Languages : HTML, CSS, SQL
- Frameworks : Angular
- Front-end technologies : HTML, CSS, Bootstrap
- Back- end technologies : NodeJS
- Version Control : Git
- Testing frameworks : Jasmine & Karma
- IDE : Visual Studio Code

PROJECTS

Gym Registration App:

- Designed website using **Angular Material**, **HTML**, **CSS**, **Typescript**.
- Allows users to do registration.
- Implemented CRUD properties like Create, Read, Update, Delete.

Weather App:

- Designed and developed a clean website using **HTML**, **CSS** and **JavaScript.**
- The main objective of this project is to create web application which helps people to check the weather of a city.

Amazon Clone:

- Created website which is a clone of the Amazon website's home page.
- Using **HTML** & **CSS** .

EMPLOYMENT HISTORY

Designation: Trainee Software Engineer
Organization: CitiusTech Healthcare Pvt Ltd
