SUMMARY

Passionate Software Engineer with 11+ years of experience in developing web applications and backend systems. My expertise lies in writing clean, efficient code that is both maintainable and easy to troubleshoot. I have successfully collaborated with small and large teams across multiple projects and companies. Whether working remotely or in office environments, I am committed to delivering high-quality solutions.

PROFESSIONAL EXPERIENCE

Lead Software Engineer
2015 - Present

Mango IT Solutions
Indore, India
